The winner becomes the rider with the highest sum of points.
In case of equality of points by more riders decides:

a) the higher number of victories in the individual stages

b) the better placement in the final ranking of the individual competition

The leading rider in points competition receives the white jersey in which he is obligated to start.

Team competition

The winner of this competition shall be the team with the best time. It shall be based on the team classification for each stage which shall be calculated on the bases of the sum of the three best individual times from each team. In the event of a tie, the teams shall be separated by the sum of the places acquired by their three best times on the stage. If the teams are still tied they shall be separated by the placing of their best rider on the stage classification. The team general classification shall be calculated on the bases of the sum of the three best individual times from each team in each stage ridden. In the event of a draw, the following criteria shall be applied in order until the teams are separated:

a) the number of first places in the daily team classification

b) the number of second places in the daily team classification etc.

If there is still a draw, the teams shall be separated by the placing of their best rider in general individual classification by time.

Any team reduced to fewer than three riders shall be eliminated from the general team classification.

Mountain competition – the Red and White Polka-dot Jersey

The mountain competition consists of 7 mountain premiums. The first 5 riders score 6-4-3-2, and 1 points. The winner is the rider with the highest sum of points. In case of equality of points in the general classification of this competition by multiple riders decides:

a) the higher number of victories in the mountain premiums

b) the better placement in the general individual classification

The leading rider of mountain competition receives red and white polka-dot jersey in which he is obligated to start.

Sprint Competition – the Green Jersey

Consists of 7 sprints in which the first three riders score 3-2-1 points. Additionally, time bonuses of 3-2-1 seconds counting towards the general classification shall be awarded for each sprint. In the case of a draw in this competition the leader shall be decided by the better placing on the individual general classification after accounting for the results of the stage. The leading rider of sprint competition receives the green jersey in which he is obligated to start.
